Johnson & Johnson

J&J withMe provides you with free, personalized support throughout your cancer treatment journey

Cost Support

J&J withMe provides patients with affordability support, regardless of insurance type

Government coverage (Medicare/Medicaid/military) or no insurance coverage:

We can help you learn about programs and resources that may make your J&J medicine more affordable:

- State-sponsored programs
- Medicare Part D Extra Help—Low-Income Subsidy
- Independent sources of cost support

Eligible patients using commercial or private insurance can save on their medicine costs:

J&J withMe Savings Program	Eligible patients pay:
AKEEGA® and ERLEADA®	\$0 per month
DARZALEX®, DARZALEX FASPRO®, TALVEY®, and TECVAYLI®	\$5 per dose
RYBREVA TM	\$0 per infusion
LAZCLUZE® when used in combination with RYBREVA TM	\$0 per fill

Maximum program benefit per calendar year shall apply. Terms expire at the end of each calendar year. Offer subject to change or end without notice. Participate without sharing your income information. Program does not cover the cost to give you your treatment. See program requirements at [JNJwithMe.com](https://www.jnjwithme.com).

Please read the full Prescribing Information for [AKEEGA®](#), [ERLEADA®](#), [RYBREVATM](#), [LAZCLUZE®](#), [DARZALEX®](#), and [DARZALEX FASPRO®](#) also available at [JNJwithMe.com](https://www.jnjwithme.com) and discuss any questions you have with your doctor. Please read accompanying full Prescribing Information, including Boxed Warning, and Medication Guides for [TECVAYLI®](#) and [TALVEY®](#), and discuss any questions you have with your doctor.

**J&J withMe provides you
with free, personalized support
throughout your cancer
treatment journey**

Dedicated Care Navigator

**With J&J withMe you have access to
a free Care Navigator**

J&J withMe Care Navigators are experienced cancer nurses* who will provide you with comprehensive support, resources, and education.

Your assigned Care Navigator will be dedicated to supporting you throughout your treatment—you will talk to the same live person every time.

*Spanish-speaking Care Navigators are available.
Ofrecemos asistencia en Español.*

Upon a patient's consent, care partners can participate in check-ins with a dedicated Care Navigator.

*Care Navigators do not provide medical advice. Please ask your doctor any questions you might have about your disease and treatment.

Here's what patients think of the support provided by our Care Navigators:
98% of patients responded they were comfortable and prepared to start and continue treatment due to Care Navigator support.[†]

[†]Data on file. Johnson & Johnson Health Care Systems Inc. Findings through September 2023 (N=221).

Resources and Community Connections

With help from your J&J withMe
Care Navigator you can:

Understand your disease and learn more
about your medicine

Acquire lifestyle and coping skills to help
you manage stress

Receive health and wellness strategies
for living with cancer

Get help finding online or in-person
peer-to-peer support

Be connected to transportation
assistance services

For advocacy resources, visit advocacyconnector.com,
a Johnson & Johnson-sponsored resource that
connects patients and care partners to national and
state-specific advocacy groups that offer resources
that may be relevant to your needs.
